Individual Project ITSE 1301 WW1

Planning

I decided to create this website to provide information to the end user about the newest processors from Intel. The planning of the site was all done prior to initial construction. I visited the Intel site to gain most of the information and files need to complete the project.

Individual Project ITSE 1301 WW1

Files

1. Banner.png
2. Body.jpg
3. Core-i3.jpg
4. Core-i5.jpg
5. Core-i7.jpg
6. Style.css
7. Home.htm
8. I3view.htm
9. I5view.htm
10. I7view.htm
11. Documentation.pdf

Individual Project ITSE 1301 WW1

Tests

- Spell check- All pages were spell checked with Microsoft Word.
- Functionality- The functionality was tested by opening the site in Explorer, Firefox, & Safari.
